RE: Keith Mathee UE Ombudsman: Re: FPI & Unashamedly Ethical: Q: Are your conflict problem solving ethics founded on EoP or WiP values?

It was not, then or now, submitted as an official complaint; simply an enquiry.

If after a reasonable period of time; it appears that Family Policy Institute and Unashamedly Ethical: Executive Committee & International Advisory Board fail to sincerely address the question and respond; I shall submit it as an official complaint to Mr. Le Roux and yourself, as the UE Ombudsman to address the issue.

I forgot to mention in the correspondence to you that a copy of all the correspondence to FPI & UE is documented in *EoP v WiP NWO negotiations Legal Correspondence to International Psychiatry and Psychology Organisations* [PDF⁷]; which deal with related issues to the original enquiry made to UE.

Dear Me Lara Johnstone, aka Andrea Muhrrteyn

Regrettably we have no record of your previous correspondence.

We have recently upgraded our e-mail service and did experience some minor disruptions. Please advise the date of the said correspondence to allow me to investigate.

I managed to retrieve from the copies you sent to the Ombudsman your original communication addressed to our Dr Power and Mr Naidoo of the FPI (See attachment hereto).

The matter is now receiving attention and a response will be forthcoming in due course.

Since the Family Policy Institute is a separate entity, we are not in a position to respond on their behalf. I assume that you did forward your correspondence to their address.

Kind regards

Re: Unashamedly Ethical: Q: Are your conflict problem solving ethics founded on EoP or WiP values?

Below is a copy of the Family Policy Institute and Unashamedly Ethical individuals to whom the original email correspondence was sent.

I am aware the Family Policy Institute is a different corporate entity to Unashamedly Ethical. Mr. Naidoo happens to be one of the Unashamedly Ethical individual signatory members: Errol Naidoo⁹ [SS¹⁰].

As noted: Family Policy Institute did receive a copy of the original correspondence.

I shall await the UE response; and separately contact FPI again to see if they intend to respond.

The correspondence was addressed to Unashamedly Ethical: Mr. Jaap Le Roux.

What part of the statement did you not understand?

Jaap Le Roux previously stated: "The matter is now receiving attention and a response will be forthcoming in due course."

If Jaap Le Roux sincerely cares about Unashamedly Ethical sincerity: I would like to know exactly the date when 'due course' shall be.

Is that more clear?

Dignity SA & Unashamedly Ethical: Karen Marshall Legal Advice Re: GMC 5048-15

I have not received any response from Dignity SA to my 30 November 2015: Assisted Suicide Legal question; or Unashamedly Ethical to my 26 June 2015: Social and Resource Conflict problem solving ethics question.

My parents and I have an application before the George Magistrates Court; dealing with among other things: social and resource conflict problem solving ethics; including assisted suicide questions I posed to your organizations.

I initially attempted to resolve the issue via Unashamedly Ethical Ombudsman: Former Judge Keith Matthee; but he would not accept the request for information; unless filed with him by Unashamedly Ethical administrator: Jaap Le Roux; who has so far refused to respond to my request for information; and Judge Keith Matthee has refused to order him to respond to my request for information. A copy of my correspondence to Unashamedly Ethical can be found in: *Proof of Service delivery & correspondence [PDF] Re: Are Family Policy Institute and Unashamedly Ethical social and resource conflict problem solving ethics founded upon (i) Ecology of Peace factual reality or (ii) Masonic War is Peace flat earth beliefs?*

I then suggested that my parents speak to a golfing friend of theirs: an advocate and former judge: Karen Marshall for legal advice to help us to resolve our Issues in Dispute. A transcript of all correspondence sent to; and received from, and/or about Karen Marshall; subsequent to

Lara and Clive Johnstone's 29 November 2015 meeting with Karen Marshall: Re: GMC 5048-15 Amended Notice of Motion 01: Issues in Dispute: McVeigh Faked Execution and Russia Assisted Suicide; can be found at: **EoP Axis** in **GMC 4643-13 applicants Request for Legal Assistance correspondence to Karen Marshall Re: GMC 5048-15 Amended Notice of Motion 01: McVeigh Faked Execution & Russia Assisted Suicide**; which is an Annexure to EoP PoW Applicants correspondence [PDF].

Updates regarding EoP applicants negotiations with Masonic War is Peace individuals and organizations; to honourably transparently and as non-violently as possible implement an Ecology of Peace international law social contract by abolishing or reforming the Masonic War is Peace international law social contract; can be found at: MILED Clerk Notice.

Attorney Generals / Directors of Prosecutions of all United Nations Assembly nations are – among other organizations – respondents in the EoP PoW Applicants to the International Criminal Court: *EoP PoW's –v– Nobel Committee & Peace Laureates et al*; which is one of the options for the Implementation of an Ecology of Peace international law social contract. It does not currently include a Fully Informed Consenting Assisted Suicide clause; however a Fully Informed Consenting Assisted Suicide clause requirement for all Attorney Generals of all UN Assembly Nation respondents – could be added to the next draft – once US, NATO, Russia and China EoP Axis authorities; and EoP Axis Coercion authorities; finalize their suspension and/or termination decision-making.

If Dignity SA and/or Unashamedly Ethical support the honourable, transparent and non-violent implementation of an Ecology of Peace international law social contract; which could include a fully informed consenting assisted suicide clause; for all Attorney Generals of all UN Assembly Nation respondents – would be useful for planetary citizens from all races, religions and/or classes to enable those who prefer to depart the planet in non-violent humane dignity to do so; please contact Karen Marshall if you would be willing to provide her with your legal, advocacy or any other form of support to enable her to make the most fully informed decision about whether she has Dignity SA and/or Unashamedly Ethical support to focus her legal skills towards supporting the honourable, transparent and non-violent implementation of an Ecology of Peace international law social contract.

Dignity SA: Assisted Suicide Legal Question

Could you kindly clarify the following issue for me:

Is it legal for someone in South Africa who (a) wants to make the decision about how, where, when and why to peacefully terminate her life in dignity; (b) to ask anyone in South Africa to help her to make the arrangements to travel to another country where assisted suicide is legal; and (c) if anyone does consent to help the person to travel to another country where assisted suicide is legal; will they be free from any civil, criminal or disciplinary liability that may arise from helping the person to travel to another country where assisted suicide is legal?

If a lawyer says that it is legal for someone in South Africa to consciously assist another to travel to another country where assisted suicide is legal; could such lawyer kindly provide such legal advice statement in writing; so that the persons who may choose to help another to travel to another country where assisted suicide is legal; can have proof that they did ask for legal advice; and if ever necessary; provide the evidence of the legal advice they were given.

For numerous reasons I have chosen to depart this planet. My parents understand my reasons and would be happy to support me; but I just want to make sure that if or when we choose to make the arrangements; they shall be clear from any civil, criminal or other disciplinary liability for helping me to travel to another country where assisted suicide is legal to peacefully end my life.

I would appreciate it if you could clarify this issue for me.

Many thanks.

Lara Johnstone

I have suggested to my father: Clive Johnstone; that we contact Unashamedly Ethical to find out whether you provide Alternative Dispute Resolution Services. He agreed to my suggestion.

Consequently I request Unashamedly Ethical to provide me with the following information:

- [1] Whether UE provide alternative dispute resolution services; and if so;
- [2] UE suggested procedures for such dispute resolution services; and
- [3] whether UE arbitrators:

RE: FPI: Q: Are your conflict problem solving ethics founded on EoP or WiP values?

I have not received any response from Family Policy Institute; to correspondence sent 05 August 2015: Are Family Policy Institute and Unashamedly Ethical social and resource conflict problem solving ethics founded upon (i) Ecology of Peace factual reality or (ii) Masonic War is Peace flat earth beliefs? [PDF³⁰].

I am aware that Mr. Errol Naidoo happens to be one of the Unashamedly Ethical individual signatory members: Errol Naidoo³¹ [SS³²]; which means he committed: (a) To be entirely truthful in all you say; (b) To be faithful to your family relationships; (c) To do nothing out of selfish ambition or conceit, but to look out for the interests of others; (d) To refuse to elicit, accept or pay any bribes and to encourage others to do the same; (e) To be diligent without being harsh, and striving to be just and fair; (f) To be a peacemaker; (g) To do your work wholeheartedly; (h) To submit yourself to just and ethical governing authorities; (i) To remember the poor by investing generously and sacrificially in the broader community; (j) To collaborate with your peers to impact our community and nation; (k) You also commit yourself to being accountable to the Unashamedly Ethical Ombudsman.

Does Family Policy Institute and/or Mr. Naidoo intend to provide a sincere honest answer to the Ecology of Peace culture correspondence submitted to Family Policy Institute; and if so; by when can I expect such sincere honest response?

Respectfully,

Re: EoP Questions to Unashamedly Ethical & Family Policy Institute

Attached are two documents:

[1] The letter I wrote to Unashamedly Ethical Executive Committee and International Board of Advisors; and Family Policy Institute: **Are Family Policy Institute and Unashamedly Ethical social and resource conflict problem solving ethics founded upon (i) Ecology of Peace factual reality or (ii) Masonic War is Peace flat earth beliefs?** [PDF].

[2] Transcript of all correspondence to Unashamedly Ethical, Family Policy Institute and Michael A Hoffman [PDF]

Confirmation of Christianity Anti-Occult Origins with Mr. Hoffman:

As is mentioned in the letter to Unashamedly Ethical and Family Policy Institute; my knowledge of the alleged anti-Masonic origins of Christianity is based upon reading the book by Jewish and Christianity scholar: Michael A Hoffman: Secret Societies and Psychological Warfare.

I wrote to Mr. Hoffman and informed him of my letter to Unashamedly Ethical and my reference to his book; so that he could read my letter to Unashamedly Ethical; and could inform me whether I had misquoted or misinterpreted his argument about the anti-occult human sacrifice origins of Christianity.

He has not informed me that my interpretation of his scholarly working hypothesis conclusions as to the anti-occult origins of Christianity are incorrect.

I don't pretend to be an expert on Christianity; but his argument has some kind of logic to it. Either way; I don't pretend to be a Christian; so the issue is one for Christians to resolve amongst themselves.

As I told Mr Hoffman:

I do not pretend to be an expert on Christianity or any other organized religions biblical texts; so my interpretation of the anti-occult origins of Christianity are based upon your research and conclusions. I don't know if God or the Devil exist or not. Thanks to some process; whether a result of some God or simply evolution; I have a brain capable of observation and analysis of reality.

My working hypothesis conclusion about reality is summarized as Ecology of Peace facts reality: 1. Earth is not flat; 2. Resources are finite; 3. When humans breed or consume above ecological carrying capacity limits, it results in resource conflict; 4. To sustainably protect and conserve natural resources in accordance to local and national carrying capacity limits; and restrict national and international inter-cultural resource war conflict; humans must implement an international law social contract that restricts all the worlds citizens to breed and consume below ecological carrying capacity limits.

Response from Unashamedly Ethical:

There was no response from Unashamedly Ethical Administrators; until the letter was forwarded to Unashamedly Ethical Administrator: Jaap Le Roux by the Unashamedly Ethical Ombudsman; saying he could only address the issue as Ombudsman; once he had received an official complaint through the Unashamedly Ethical Administrative office. Immediately thereafter the Unashamedly Ethical Administrator Mr. Jaap Le Roux responded stating they had not received the original due to some alleged email problems; but now that he had received it from the Ombudsman, "The matter is now receiving attention and a response will be forthcoming in due course."

I responded that it was not an official complaint to the Ombudsman; only a letter of enquiry; and that I'd prefer to give Unashamedly Ethical the benefit of the doubt; that they sincerely were ethical and would sincerely address the question and respond.

On 06 August 2015 I asked Jaap Le Roux whether he could inform me of a date by when I could expect a sincere response and answer to the issues raised in my letter of enquiry.

As of 03 October 2015, there has been no response from Unashamedly Ethical: Jaap Le Roux.

Christian Lawyers: Re: Unashamedly Ethical resource conflict problem solving ethics

On 05 August 2015 I submitted the following request – as part of a barter exchange agreement being completed between myself and my parents; who are unclear whether Unashamedly Ethical values are Christian or Masonic pretending to be Christian -- for information to Unashamedly Ethical and Family Policy Institute: **Are Family Policy Institute and Unashamedly Ethical social and resource conflict problem solving ethics founded upon (i) Ecology of Peace factual reality or (ii) Masonic War is Peace flat earth beliefs?** [PDF]

Ecology of Peace factual reality: 1. Earth is not flat; 2. Resources are finite; 3. When humans breed or consume above ecological carrying capacity limits, it results in resource conflict; 4. To sustainably protect and conserve natural resources in accordance to local and national carrying capacity limits; and restrict national and international inter-cultural resource war conflict; humans must implement an Ecology of Peace international law social contract that restricts all the worlds citizens to breed and consume below ecological carrying capacity limits.

The principle of cooperation to implement an Ecology of Peace international law as opposed to competition over resources that I use in my Ecology of Peace Facts summary; is based upon the Nash Equilibrium mathematical principles that John Nash [A Brilliant Madness: A Mathematical Genius Descent into Madness³⁴] won a Nobel Prize for Economics upon. Put

³⁴ <https://www.youtube.com/watch?v=oM1SflhJDoc>

simply: That in any conflict; those who cooperate to share resources and resolve the root causes of the conflict; would have a better chance of success and winning the fight; than those who say 'the strongest' shall win all the resources; and have the right to enslave the weakest.

In the Beautiful Mind movie; John describes this mathematics theory of cooperation to his student friends in a bar; like this.

They are sitting in a bar and in walks a beautiful blond Aryan woman; and they all start getting ready to fight each other to take her on a date; and John Nash laughs and tells them: Why fight about the few women you consider to be physically beautiful in appearance; instead of redefining beauty and cooperating to help all women to become beautiful in character. If you fight for a few physically beautiful women; only a few men will win a beautiful woman; if you redefine beauty in terms of character; you can then cooperate to help all women to grow beautiful characters; then every man in the process helps his own character; and goes home with a beautiful woman.

Similarly if humans cooperate to implement an Ecology of Peace international law social contract; then all the energy that is currently wasted by individuals, religions and races to fight over resources will no longer need to be wasted on resources; and humans will have more time and resources to investigate ideas such as whether God does or does not exist; or any other issue of concern they are interested in investigating to seek the truth about reality; but currently cannot do so; because they are just joining one or other religion for ethnic or religious tribal resource war purposes; in their Planet of the Apes fight for survival.

Imagine if Adolf Hitler and Joseph Stalin had invited Mao Tse-tun, Franklin Delano Roosevelt and Neville Chamberlain to meet and discuss options for pooling their military resources to pressure the international legal community to implement an Ecology of Peace international law social contract; for the benefit of all individuals from all races, classes and religions interested in Ecology of Peace responsible freedom?

Imagine if Nelson Mandela and the ANC had invited Hendrik Verwoerd and the National Party to meet and discuss options for leading the world towards an Ecology of Peace international law social contract; by working together to implement an Ecology of Peace social contract for an ethical responsible freedom South Africa?

So far Unashamedly Ethical administrator Jaap Le Roux or Ombudsman: Keith Matthee refuse to answer my question as to when I could expect a response to my question regarding whether Unashamedly Ethical's resource conflict problem solving ethics are founded upon Ecology of Peace or Masonic War is Peace Christian values. A copy of our correspondence can be found in: ***Proof of Service delivery & correspondence*** [PDF³⁵]

I noticed that Christian Lawyers Advocates Africa Conference included some 'Unashamedly Ethical' marketing presentations; such as: *The Journey towards a National Culture of Integrity*; by Patrick Kuwana; and *Unashamedly Ethical Introduction: Refuse: To refuse to elicit, accept or pay any bribes, and to encourage others to do the same* by Advocates Africa.

If Unashamedly Ethical really care about ethics; would such ethics not compel them to clarify in simple justice language the difference between ethical and unethical living; by clearly

³⁵ http://www.weebly.com/uploads/1/3/8/7/13878165/15-07-26_fpi-ue_fampolinst-unashethical_pos.pdf

enunciating what their legal definition of 'ethics' is; and whether their 'Unashamedly Ethical' values are based upon Ecology of Peace or Masonic War is Peace values?

Could Christian Lawyers Association clarify whether you; as Africa Co-ordinator of Unashamedly Ethical; are aware of whether Unashamedly Ethical's resource conflict problem solving ethics are founded upon Ecology of Peace or Masonic War is Peace Christian values.
