Gedaliah Braun

Hi Gene:

How are you? Sent the correspondence below to Netherlands Embassy and all [Jus Sanguinis Right of Return for African White Refugees](#) experts; but noticed after pushing send; that your email address was not included.

Also; you may – or may not – be interested; I quoted some excerpts from your ‘flat earth’ observations from your ethics paper; in correspondence to Unashamedly Ethical Ombudsman a month or two ago.

If interested in providing some constructive criticism: A summary of the query to them was: **Are Unashamedly Ethical social and resource conflict problem solving ethics founded upon (i) Ecology of Peace factual reality or (ii) Masonic War is Peace flat earth beliefs? [PDF]**

A copy of this correspondence shall be posted in (i) EoP v WiP NWO Negotiations Comments Correspondence [PDF]: White Refugees; (ii) Correspondence [PDF] Re: UE Fraud notice.

Re: Possible NATO cryptic response to Jus Sanguinis campaign; referred to in the aforementioned comment correspondence to African White Refugees: "Afrikaners with proof of Dutch roots are eligible for Netherlands passports"; as detailed in EoP Applicants: NSA & FSB: EoP Interpretation Forensic Data [\[PDF\]](#).

Summary: I honestly and sincerely ask for what I want. I sincerely and actively listen to what they want. If the individual is willing to help me get what I want; great we can reciprocate and cooperate to help each other get what we want. If the individual is not willing to help me get what I want; that's okay; I ask someone else. We know where we stand with each other; if either of us want something in the future; we can ask in village idiot English. If I can't find anyone to help me get what I want; I accept reality. I change my mind about what I wanted; or I make preparations to depart the planet and find another planet where the inhabitants of that planet; appreciate honesty.

Top of my military necessity list is an answer from the individual who made the decision to order the faking of Timothy McVeigh's 11 June 2001 execution [\[PDF\]](#); whether President George W Bush or someone else ["President Bush was presumably the individual who – either of his own volition; or under threat from one or more other individuals; if so presumably U.S. Military officials, Vladimir Putin, Benjamin Netanyahu and/or Pope Benedict XVI -- made the decisions related to Timothy McVeigh's 11 June 2001 faked execution; the exact details of those decisions remain unknown to the applicant." – Excerpt: [GMC 5048-14: Lara Johnstone v Clive Johnstone](#): Amended Notice of Motion: Affidavit [PDF](#)]; whether Timothy McVeigh's 'faked execution' agreement allows for me and Timothy McVeigh to spend time together somewhere in a small village off grid for a while: two years minimum would before we depart this planet together.

I don't know what is on the top of other people's military necessity lists. Presumably the implementation of an Ecology of Peace international law social contract is on the top of many Generals and Admirals military necessity lists [\[PDF: 23 Jan 2016\]](#). If they don't have enough Generals and Admirals to implement [EoP Axis Military Necessity Coercion Evacuation](#); those who believe in God/Allah/Jahweh/Buddha/Satan better be doing some 'God Help Us All'; as they give the planet's Prosecutors, non-cooperating military elite, lily white guilt liberals – who don't understand the passive aggressive obstruction to the honourable winning hearts and minds

implementation of an Ecology of Peace cultural schmuck reality – some [rectal-hummus hydration](#) interrogation.

‘God Help Us All’ considerations for the God/Allah/Jahweh/Buddha/Satan believers:

To the Pope’s, Cardinals, Pastors, Friars, Priests, Deacons, Ayatollahs’ Imam’s, Witches interpreters of God / Allah / Buddha’s / Satan’s etc words:

- When do you intend to ask your God / Allah / Buddha / Satan boss; whether he knows that the earth he made is flat or not?
- If your God / Allah / Buddha / Satan boss knows that the earth he made is not flat; but round and with finite resources:
 - when does that God / Allah / Buddha / Satan boss of yours intend to inform you his prophet spokesperson?
- If your God / Allah / Buddha / Satan Boss knows that the earth he made is not flat; but round and with finite resources; and your God / Allah / Buddha / Satan is a God / Allah / Buddha / Satan is a God of peace:
 - When does your God / Allah / Buddha / Satan boss intend to order you to order his children of peace flock; to implement an Ecology of Peace international law social contract?
- If alternatively your God / Allah / Buddha / Satan Boss is a God / Allah / Buddha / Satan of War; when is your God / Allah / Buddha / Satan Boss going to order you his Interpreter prophets to order you to register your religion as a Religion of War with the relevant State authorities?

Since I don’t believe in God; I don’t ask God if the earth he made is flat or not; whether resources are finite or not.

Since it is quite obvious to me; that if people sincerely want to live in peace; they should cooperate to implement an Ecology of Peace international law social contract; I do what I can to educate (a) people who prefer avoiding social conflict or resource war conflict about how they can do so: cooperate to implement an Ecology of Peace international law social contract; that requires all the worlds citizens to procreate and consume below ecological carrying capacity limits; and engage in fully informed consenting agreements; (ii) people who occasionally or frequently prefer to engage in physical violent conflict; that if they support the implementation of an Ecology of Peace international law social contract; based upon breeding and consuming below ecological carrying capacity limits and fully informed consenting agreements; they will be able to engage in fully informed consenting fight club like fights in private venues; or whatever perverted violence they prefer to engage in; with others who have those preferences; and they won’t have to worry about ending up in jail or in court; for their consensual violent activities.

If or where I perceive the possibility that some Generals or Admirals are sincerely concerned about the [implementation](#) of an [Ecology of Peace](#) international law social contract; to enable humane and orderly depopulation and deindustrialization to a new Ecology of Peace based economy; I do what I can to help them; as long as helping them does not conflict with my commitment to (a) honesty to all; (b) getting what I want: spending time physically with Timothy before we depart this planet.

If Timothy does not want to spend time with me before we depart this planet; he is more than welcome to inform me; and I shall depart on my own. No political correctness required. Simple: Thanks, but no thanks; don’t give a fuck about spending physical time with you; you are welcome to fuck off.

Cultural Schmuck reality:

“I come from the school of 'walk softly and carry a big stick.’” – [Esquire: William Fox Fallon: The Man Between War and Peace](#).

“He was a senior commander who went with his units from house to house, from bunker to bunker, from orange grove to orange grove; to explain what he meant. And three months later, Gaza was quiet. Terrorism was crushed with an iron fist, with a cruel hand. He cast fear into Gaza. They were afraid of him, really scared. He explained to me once in a very simple manner; that he went to put an end to terrorism in Gaza. He was head of Southern Command. His method was simple. Every Arab caught holding a weapon; was shot on the spot.” -- Eli Landau & Uri Avnery; [Israels Generals: Ariel Sharon](#).

“In our neighbourhood strength is everything” – [Israel Video Network](#)

“[05BAGHDAD5038 US Embassy Cable to Washington DC] Summary: Fight Terror with Terror: Major General Thabit, who created and commands the Special Police Forces, is a Sunni officer who served time in prison for attempting to overthrow the Saddam Regime. .. They expressed the view that its necessary to fight terror with terror and it is critical that their forces be respected and feared as this is what was required in Iraqi society to command authority. ... “In the Middle East, anyone who proclaims non-stop that he wants peace, projects the image of someone who is afraid of war because he is weak, thereby awakening the militaristic adrenaline glands of his neighbors, who then resemble nothing so much as eagles and vultures hovering over a dying cow. And the opposite is just as true: anyone who radiates power, strength, threat and danger enjoys comparative tranquillity because the bullies leave him alone. This is the reason the Arabs hated and respected Ariel Sharon and Moshe Dayan – they were afraid of them. Sadat made peace with Israel because he could not defeat the Jewish state despite the surprise factor he had in opening the Yom Kippur War and his early success in crossing the Suez Canal. Hussein also made peace with Israel, hoping it would use its power to help him face the Baath party of Syria and Iraq. Arafat agreed to a hudabiyya peace - that is, a temporary "peace" for as long as the enemy is too strong to defeat – after the failure of the first intifada.... In the area called the Middle East only those who are truly powerful, threatening and determined to deter their enemies survive. ... This is the bitter reality in which we attempt to survive... I am just the messenger who is charged with explaining to my readers what not everyone understands about the culture in our neighbourhood. " - Dr. Mordechai Kedar; [Israel National News: Why the Arab World Long for Labour to Win](#).

“*Parallels between South Africa and the Middle East: How Weakness Breeds Contempt:* In terms of psychological dynamics, I see important similarities between South Africa and the Middle East. *From The Counterlife*, a 1987 novel by Philip Roth: “We’ll drive through the village You’ll see how Arabs who want to can live in peace, side by side, only a couple of hundred yards away. They come up here and buy our eggs. [Our old] chickens ..., we sell to them for pennies. The army could move in here tomorrow, weed out the troublemakers, and the stone throwing would be over in five minutes. But they don’t. They even throw stones at the soldiers. And when the soldier does nothing, you know what the Arabs think? They think you are a

shmuck – and *you are a shmuck*. Any place in the Middle East, you throw a stone at a soldier and ... [h]e shoots you. But suddenly they discover ... that you throw a stone at an Israeli soldier and he doesn't shoot you. He doesn't do anything. *And that's when the trouble begins. Not because we are cruel, but because they have found out we are weak. They don't respect niceness and they don't respect weakness. What the Arab respects is power.*" And just so, blacks think whites are fools. ... Of *course* blacks will think you're a shmuck – 'and you *are* a shmuck'! Arabs in Israel live better than those in 'Palestine', economically and politically. Most know this, but because of Western propaganda, many 'convince' themselves otherwise. In South Africa, most blacks don't want black rule; but Western propaganda will 'convince' them they do. In both cases it is a matter of mob hysteria, intimidation and liberal media influence." – Gedaliah Braun: [Racism, Guilt, Self-Hatred and Self-Deceit: A Philosophers Hard-Headed Look at the Dark Continent](#).

“Order demands violence. A rule not ultimately backed by the threat of violence is merely a suggestion. States rely on laws enforced by men ready to do violence against lawbreakers. [...] Without action, words are just words. Without violence, laws are just words. [...] Violence isn't the only answer, but it is the final answer. One can make moral arguments and ethical arguments and appeals to reason, emotion, aesthetics, and compassion. People are certainly moved by these arguments, and when sufficiently persuaded –providing of course that they are not excessively inconvenienced — people often choose to moderate or change their behaviors. However, the willful submission of many inevitably creates a vulnerability waiting to be exploited by any one person who shrugs off social and ethical norms. [...] Violence is the final answer to the question, “Or else what?” [...] Ask the Cherokee, the Inca, the Romanovs, the Jews, the Confederates, the barbarians and the Romans. They all know “Or else what.” – [Jack Donovan: Violence is Golden](#).

“Here they place Putin in context as part of the so-called Andropov levy, a generation of KGB officers recruited during the long (1967–82) chairmanship of Yury Andropov. According to Hill and Gaddy, Andropov saw himself as an enlightened, liberal secret policeman who emphasized the need to “work with people”—that is, to try persuade dissidents to change their minds and support the Soviet regime, but with obvious coercive threats looming in the background. They see Putin as adapting this approach to Russian politics today, trying to win through persuasion, but always ready to bring the full force of the state to bear on any opponent who does not see the wisdom of agreeing. Most notably, Putin used this method to bring the oligarchs to heel. Putin made it clear they would be allowed to make their fortunes but had to become apolitical, pay their taxes, and follow Putin's policy line. He made it clear that their “property rights were ultimately dependent on the good will of the Kremlin,” with former oligarch Mikhail Khodorkhovskiy's fate—a long jail term and seizure of his assets—serving as an example of what would happen to anyone who stepped out of line. It is the same method that Andropov used with dissidents, who knew that psychiatric hospitals and labor camps awaited anyone who failed to be persuaded by the KGB's arguments.” - [CIA Review: The Man Without a Face: The Unlikely Rise of Vladimir Putin](#), by Masha Gessen and [Mr. Putin: Operative in the Kremlin](#), by Fiona Hill and Clifford Gaddy.
